Dear Friend:

I have been trying all day to get you on the phone, but there was no answer. I just returned from Chicago, and found all your mail. I left here the 31st for the East West game the 1st of August. We would have been glad to come up for the 11th, but it is of course too late now.

About Sept. 5th, I will let you know as soon as I talk to Mr Manley which should be tonight. He is away with the club. I think we will be able to make it as we have not arranged anything for that day. I will get in touch with you in the next two days.

We are now leading the league for the second half, and it looks like we have a good chance to win. If we do they may plan some kind of a playoff, although it is doubtful. I will get in touch with everyone concerned, and let you know in a day or two. Look to hear from me by Thursday or Friday of this week.

Very Truly Yours
